Brought to you by  & Twinings

For us, Tea is so much more.  
We now offer the options of having a delicious Tea latte with frothed milk, or one of our refreshing infusions over ice.

## Black Tea

### The Full English

A classic strong & invigorating breakfast tea.

### The Earl

Fragrant, fresh, and bursting with the wonderfully citrusy flavour of bergamot.

### All Day Decaf

Bold, brisk and full of flavour.

## Infusions

### Honey & Rooibos

An indulgent blend of sweet honey & rooibos, with hints of fig and cinnamon flavour. It will take you to a toasty, peaceful place.

### Revive Raspberry

Packed with a juicy raspberry punch, a hint of floral hibiscus & whole pieces of apple and beetroot with added Vitamin C. Sip your way to wellbeing with this super tasty infusion.

### Unwind Spiced Apple & Camomile

The flavours of lightly spiced apple and sweet camomile are perfect for taking a moment to relax.

### Refresh Double Mint

Smooth peppermint is rounded off with bursts of sweet spearmint. A harmonious blend of minted refreshment.

## Green Tea

### Simply Sencha

A wonderfully mellow and slightly sweet green tea.

### Strawberry Green

Taste the roasted notes of pan-fried green tea followed by an explosion of fruitiness from sweet strawberries. It's a super light, zinger of a drink.
